

Delightful Celebrations

Dear friends and Chocolate lovers,

A warm welcome to our June newsletter!

Today FRANCESCA has grown to offer not only an exquisite collection of premium Swiss chocolates and an intimate boutique due to celebrate its first anniversary on the 8th May, but also a range of Chocolate Connoisseur workshops and seminars.

Our unadulterated passion for what we do helps us to create experiences people truly feel treasured and enriched and therefore, get to know oneself better and appreciate life.

But first of all, we say thanks to YOU as you helped us to grow and be where we are today. We much treasure your support and valuable insights as well as to strengthen our fruitful collaboration.

Recently we were awarded the Quality Tourism Services Award by the Hong Kong Tourism Board.

Whether exclusive gatherings or larger corporate events, FRANCESCA Appreciation Seminars are inspirational affairs on the pairing of luxurious handmade Swiss chocolate with champagne, wine, cognac, whiskey and even cigars. Cornelia FRANCESCA shares her own expertise and also works closely with guest experts to educate and delight those in attendance.

A key element of such events is, of course, the tasting of FRANCESCA's delicacies – truly an experience of chocolate at its finest. Every FRANCESCA truffle, praline and bar is handcrafted in Switzerland from the highest quality Grand Cru chocolate, and one can taste the difference. FRANCESCA's ready-to-go offerings include Rose Water Hearts, the Dark Collection, Champagne Truffles and Bari Almonds beautifully packaged in elegant gold boxes, while bars include the Trinitario 64% Sea Salt and Pistachio, the Java 64%, the Arriba with Oranges 72% and the Milk with Hazelnuts, amongst many others. FRANCESCA also offers tailor-made chocolates, ideal for corporate gifts or for personalising special events such as weddings or baby showers. Clients can create their own flavours inspired by a perfume, a wedding dress or even a local dish – whatever their heart desires.

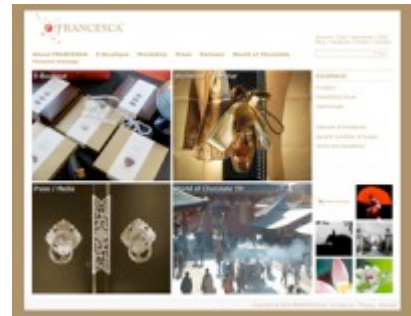

A strong theme which runs through everything is 'happiness'. The FRANCESCA corporate vision as being "to empower people to enrich their potential and themselves" while the company's mission is to "enable people to find their inner and outer prosperity." Cornelia Francesca wishes through her company to support people in finding clarity in the maze of life, and to realize their potential as well as their dreams. As a result, the exclusive brand also offers non-edible gifts.

Are you ready for a summer experience? For any corporate event, group / clubs activities and for children we have great Summer events, classes and workshops prepared. Let's experience them together.
